

Set Up Citrix Receiver on Windows for WSOM Virtual Lab

The preferred method of accessing the WSOM Virtual Lab is to use a web browser to navigate to <https://wsomportal.cwru.edu> and log in that way. Ensure you have the latest version of Citrix Receiver installed on your computer via receiver.citrix.com. The new version of the Virtual Lab is now fully compatible with Google Chrome, workarounds are no longer required.

To set up the new WSOM Virtual Lab, open Citrix Receiver. This will open the Add Account window.

Citrix Receiver

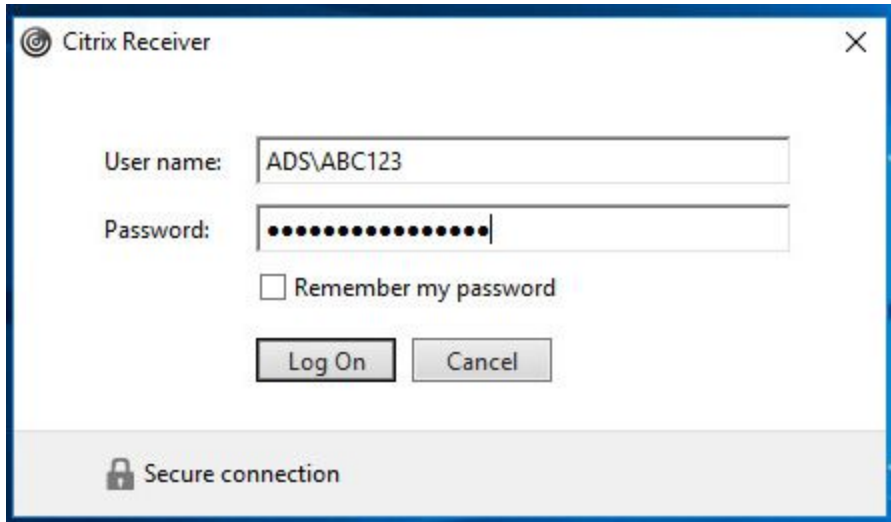

Add Account

Enter your work email or server address provided by your IT department:

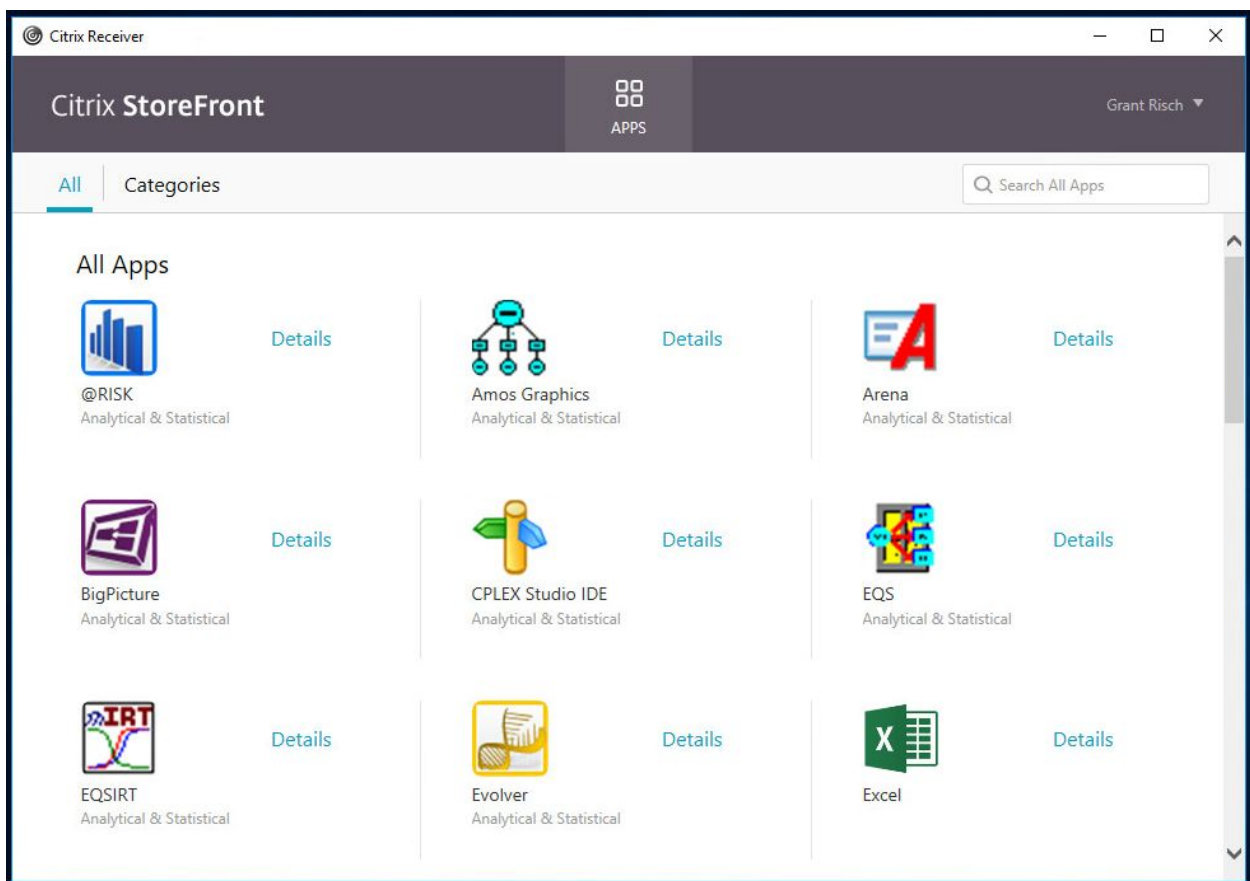

Do not show this window automatically at logon.

Add Close

Please enter <https://wsomportal.cwru.edu> and click Add

Log on with ADS\abc123 (where abc123 is your network ID) and your CWRU password.

Launch apps by clicking the application you want. They should also now appear in your start menu.
